

## **After the Move**

- **Locate your local post office, police, fire stations and hospitals as well as gas stations near your home.**
- **Get familiar with your neighborhood shopping areas. You may need house wares, tools or other items for your new home unexpectedly.**
- **Call the department of sanitation in your new home to find out which day the trash is collected and what type of recycling programs are available in your community.**
- **Get new service providers such as a bank, pharmacist, cleaner, cable television etc.**
- **Contact your local DMV if you moved to a different state to exchange your driver's license.**
- **Provide your new doctor and dentist with your medical history.**
- **Transfer insurance policies to your new agent. You may also wish to make a detailed list of your belongings, their value, and your coverage.**
- **Get information on schools, libraries, community activities and emergency calling service from your local Chamber of Commerce.**
