

Bowls

The following items will be needed to secure your bowls for moving:

- Blank newsprint paper.
- Dish pack boxes (5.2 cubic feet)

Packing Instructions

- Prepare a box for packing with a stack of wadded blank newsprint paper on bottom. This is used as cushion for the bowls.
- Place on edge in carton with bottom facing up.
- *Do not put the bowls at the bottom of the box. They should be on the upper layers of the box.*
- Close the box and mark it "Fragile".
